The 1996-1997 Annual Dedicatee

This year's annual dedicatee is Mr. Ron Bellman. Mr. Bellman has been teaching mathematics at Winslow High School for twenty seven years. He is a former track coach for WHS and is now coaching cross country for WHS. Mr. Bellman believes that if his students know what is expected from them and know that they will be respected, they will succeed. Indeed, Mr. Bellman is one teacher who knows how to make learning fun.

1996-1997

Annual King and Queen

This year's king is Mike Witt and the queen is Corie DeWitt. They were chosen because of their dedication to the class of 1997 and to W.H.S. Other candidates were: Randy Barton, Ricky Dominguez, Heather Ely, Jeremy Perez, Rachael Roberts, and Sheri Sadler.

SENIOR POEM

CORRIDOR of MEMORIES

We left the safety of our homes to face the first door
And entered the hallway in 1984.

Continuing along the hall that would show the way,
We learned and accomplished so much with each passing day ;
With nap time and recess in those early years,
Our friendships and good times outnumbered the tears.

We found Junior High behind the second door
And discovered we were all beginners as before.

Then dances, clubs, and sports provided us with fun
As we realized the joyous times had only just begun.
We learned to make decisions about wrongs and rights;
With new ideas of our own we soared to greater heights.

The next door we opened led to our Freshman year;
As Seniors stalked the halls, we cringed in utter fear.
Our class won first place with the best Homecoming Float,
And winning the food drive gave us reason to gloat.

Our Sophomore year the pep assemblies were the best...
In competitions we always beat the rest.

We entered our Junior year with much anticipation.
"A Night on the Nile" turned out to be the prom sensation.

Finally we made it to our Senior year!
Together we face the final door of our High School career.

Many doorways wait for us in the halls ahead,
And we'll recall the past that '97 led.

Content, we'll say good-bye to all our High School days,
For now it is time for us to go our separate ways...

CRAZY DREAM

Last night I had a crazy dream
That I was teachin' school.
My teachers had turned into kids
And I laid down the rules.

I gave 'em a hundred hist'ry books
To memorize each night,
And made 'em read 'em on their heads
Without turnin' on the light.

I sent 'em on a field trip
To the outskirts of Mongolia,
And gave 'em an overnight assignment
To grow a twenty-foot purple magnolia.

I asked 'em how many awful grades
Can cause how many tears?
And if they got one wrong,
I just hung 'em up by their ears.

And when they talked or laughed in class,
I pinched 'em 'til they cried
Louder and louder - 'til I woke up
Feelin' very satisfied.

-Shel Silverstein
